DECISION OF THE GOVERNING BOARD OF THE ECSEL JOINT UNDERTAKING

Laying down Implementing Rules for implementing article 7(2) of the Staff Regulations as regards temporary occupation of management posts

THE GOVERNING BOARD OF THE ECSEL JOINT UNDERTAKING,

Having regard to the Staff Regulations of Officials of the European Communities and the Conditions of Employment of Other Servants of the European Communities laid down by Council Regulation (EEC, Euratom, ECSC) No 259/68\(^1\), and in particular Article 7(2) of the Staff Regulations and Article 10 of the Conditions of Employment,

Having regard to the Statutes annexed to Council Regulation (EU) 561/2014 of 6 May 2014 establishing the ECSEL Joint Undertaking and in particular Articles 8 and 9 of the Statutes,

In agreement with the Commission pursuant to Article 110 of the Staff Regulations;

WHEREAS:

(1) Rules should be laid down for the application of Article 7(2) of the Staff Regulations, which provides that the Appointing Authority may call upon officials to occupy a post in their function group in a grade which is higher than their own grade, such temporary posting being limited to one year except where it is to replace an official who is seconded to another post in the interests of the service, called up for military service or absent on protracted sick leave\(^2\);

(2) It is necessary to adopt new rules on temporary postings on the basis of Article 7(2) of the Staff Regulations which should take into account in a more appropriate manner the need to recognise the efforts made by officials to temporarily ensure the continuity of the service and the principle of equitable treatment;

---

\(^1\) OJ L 56, 4.3.1968.

\(^2\) Exceptionally and upon due justification, the Appointing Authority may decide to extend the temporary posting beyond one year, also in other cases than the ones explicitly provided for in the Staff Regulations, when it is considered that this is required in view of the interest of the service and necessary for guaranteeing fair treatment of the official concerned (see CFI, T-162/96, Forcheri/Commission).
(3) Article 7(2) should apply only where the official is called upon to assume temporarily duties which entail responsibilities substantially greater than those involved in his/her own post. Only the difference in the level of responsibilities between non-management and management (not advisory) posts and between management posts of different levels can be considered as substantial for the purpose of applying Article 7(2) of the Staff Regulations;

(4) The rationale of Article 7(2) is to grant to the official who takes up duties which entail responsibilities substantially greater than those involved in his/her own post for a substantial period a remuneration which corresponds to those greater responsibilities;

(5) It is necessary to ensure that Article 7(2) is applied in an appropriate manner in view of the new career system which came into effect on 1 May 2004, in which there is a high degree of separation of grade and duties, as confirmed by the Court of First Instance;

HAS DECIDED AS FOLLOWS:

**Article 1: Posts to which temporary postings may be made**

The main middle and senior management posts which an official may be called upon to occupy on a temporary basis shall be:

- Director posts in grade AD 14 and equivalent;
- Head of Unit posts in grades AD 9 to AD 12 and equivalent.

**Article 2: Conditions for temporary postings**

Temporary postings may be made:

(1) where a new or vacant management post cannot be filled in the short term;
(2) to replace an official who is seconded to another post in the interests of the service, is called up for military service or is absent on protracted sick leave or for other reasons preventing him/her from exercising his function.

The above-mentioned situations shall as a rule involve periods lasting longer than three months. Only a full-time and uninterrupted absence of the job holder can give rise to a temporary posting.

3 Middle and senior management functions as defined in Decision ECSEL-GB-47/08
4 COJ, C 5/70, Prelle/Commission.
5 CFI, T-56/07P, Commission/Economidis.
Only established officials and temporary agents who are not serving their probationary period can be called upon to temporarily occupy a post within the meaning of Article 7(2) of the Staff Regulations. Any references to "officials" in this Decision shall apply also to temporary agents.

**Article 3: Reference grade**

For the purpose of calculating the differential allowance, the "reference grade" for a temporary posting will be fixed as follows:

1. As regards Director posts and equivalent as defined in Article 1, the reference grade shall be grade AD 14.
2. As regards Head of Unit posts and equivalent as defined in Article 1, the reference grade shall be as a rule:
   a. where the post is published, the lowest grade in the range for which the post is published, as follows:
      - grade AD 9 for the range AD 9 / AD 12
   b. where the post is filled by transfer in the interest of the service or where the post is not vacant, grade AD 9 as set by the Appointing Authority after consultation of the Unit responsible concerned.

**Article 4: Differential allowance**

From the beginning of the fourth month of a temporary posting, the official concerned may receive a differential allowance equal to the difference in current remuneration of the official and the remuneration according to the level of the temporary posting, as follows:

1. If the official is in the grade immediately below the reference grade, the differential allowance shall be equal to the difference between the remuneration of the official throughout the relevant period and the remuneration he/she would receive if he/she was promoted to the reference grade.
2. In duly justified circumstances where the official is in one of the grades below the grade immediately below the reference grade, as the differential allowance cannot be calculated by analogy to a promotion, it shall be equal to the difference between the remuneration of the official throughout the relevant period and the remuneration he/she would receive if he/she was newly recruited in the reference grade. The second

6 Where the level of a post is fixed at a single grade, this grade is the reference grade for the purpose of calculating the differential allowance.

7 However, as regards middle management posts, the reference grades for temporary postings either starting in the period between 14 December 2006 (judgement of the Civil Service Tribunal in case F 122/05) and 9 September 2008 (Commission Decision C(2008)5028 of 10 September 2008 fixes the levels of middle management posts at AD 9 / AD 14 or AD 13 / AD 14) or where the post on which the temporary posting was made was published in that same period, will be grades AD9, AD11 or AD13.

8 Taking account of the provision regarding non-cumulation, as provided in Conclusion 240/05 of the Heads of Administration (see Administrative Notice N° 48-2005), this remuneration will be increased according to Articles 44 and 46 of the Staff Regulations.
(3) If the official is in a grade equal to or above the reference grade, except where the official already receives the benefit on the basis of his/her post of assignment, the remuneration of the official is increased according to Articles 44 and 46 of the Staff Regulations.

The increase in remuneration according to Articles 44 and 46 of the Staff Regulations will be calculated either on the basis of the grade of the official concerned, or on the basis of the reference grade of the post that the official temporarily occupies, depending on which option is the most favourable for the official concerned.

Article 5: Management experience

Management experience acquired through a temporary posting shall be taken into account for eligibility purposes in the context of applications for management positions.

Article 6: Successive periods of temporary posting

Where the same official is the subject of two or more temporary postings in respect of the same functions and those postings are consecutive, the second temporary posting shall be considered as a continuation of the first and the differential allowance shall not be discontinued during the first three months of the second temporary posting.

For the purposes of this provision, a subsequent posting shall be considered to be consecutive if it begins no longer than three months after the end of the previous posting.

Article 7: Procedure for temporary postings

(1) Where the conditions in Article 2 are met, ECSEL Executive Director and/or the Governing Board may submit a proposal for a temporary posting, stating the reasons and providing all relevant information. The temporary posting is proposed to the Governing Board.

(2) The effective date of a temporary posting is fixed by the Governing Board in a temporary posting decision pursuant to Article 7(2), taking account of the proposal submitted by the Executive Director.

(3) Abolition of the post on which a temporary posting has been made as a result of an amendment to the organisation chart automatically entails termination of the temporary posting.

---

9 The amount of the benefit shall be calculated in accordance with the method laid down in Conclusion 240/05 of the Heads of Administration (see Administrative Notice n° 48-2005).
Article 8: Date of application

This Decision shall apply from the date following that of its adoption.
