Join a Consortium

By Caroline Bedran, AENEAS Director General

ECSEL JU CALL FORUM 2018
& Consortium Building Sessions

6 - 7 March, Warsaw
Industry representation in ECSEL-JU tri-partite organization (PPP)

Industry (Private Members)

ECSEL Participating States (EPS)

European Commission (EC)

(Represented at ECSEL Governing Board)
ECS Strategic Research Agenda

Basis for R&D&I activities in ECS in Europe
ECS Strategic Research Agenda

Basis for R&D&I activities in ECS in Europe
AENEAS ASSOCIATION

AENEAS is an Industrial Association representing its members in the Electronic Components and Systems (ECS) value chain:
- Large industries, Small and Medium Enterprises, research institutes, academia and associations

AENEAS aims at:
- Fostering R&D&I
- Creating an effective funding landscape

The successful development of the Digital Economy in Europe is essential:
- To maintain a competitive position
- To support its societal goals

AENEAS supports programmes that:
- Promote networking
- Encourage collaborative consortia work
- Facilitate access to funding support
AENEAS members are key industrial players …

Gathering 220 influential organisations (Large companies, SMEs, RTOs)
... along the complete ECS value chain
European Electronics Value Chain

GLOBAL ELECTRONICS EUROPEAN PRODUCTION 2016
• 399B€ +3% year 13% WW (1)
• WW market +1trillion€ potential by 2025 with digitisation (2)

EUROPEAN INDUSTRY DRIVERS
• 1300B€ in 2016 24% of ww market (4)

[1] Source Decision - 2016
[4] Decision pour le rapport "Vers l’électronique du futur"
Proactive in the eco-system
Benefits joining AENEAS

More than a network, a global community

Shape
Together, shape the future of digital Europe and co-define RD&I strategy

Community
• Belong to the Community of Electronic Components and Systems
• Participate in EF ECS yearly event
• Attend Brokerage / Consortium Building events

Network
Benefit from cross-fertilisation in a global network of experts from large companies, SMEs, universities or Research organisations

Influence
European Commission and Parliament, National and Regional Public Authorities (position papers, meetings, events, etc.)

Create
• Build new partnerships / consortia
• Participate in the co-creation of new projects
• Fund your project with various instruments (e.g. ECSEL)
• Run funded projects with AENEAS support

Impact
• Economic impact on your activities (accelerate your time to market)
• Solve societal and economic challenges
Intensified cooperation between AENEAS, ARTEMIS-IA and EPoSS

- Common ECS Strategic Research Agenda (ECS-SRA)
- Joint position papers on ECSEL2 and FP9
- Common Consortium Building sessions / brokerage events (cf. tomorrow)
- EF ECS joint Forum (co-organized AENEAS, ARTEMISIA, EPoSS, EC, ECSEL JU) November 20-22, 2018 in Lisbon, Portugal save the date & check on [https://efecs.eu/](https://efecs.eu/)
- ECS Collaboration Tool, independent of any funding instrument, to share ideas and attract partners [https://ecscollaborationtool.eu/](https://ecscollaborationtool.eu/)
Consortium Building Sessions
March 7th agenda

- 9.30 - 9.45: Introduction by the three Associations AENEAS, ARTEMIS-IA, EPoSS
- 9.45 - 10.00: ECS-SRA introduction
- 10.00 - 10.30: Innovation Environment in Poland by Mateusz Gaczyński, Vice Director, Department of Innovation and Development, Polish Ministry of Science and Higher Education
- 10:30 - 12.00: Project ideas presentation
- 12.00 - 13.30: Networking lunch & posters
- 13.30 - 15.00: Parallel sessions
Thank you
